

What to do...Careers

This document is written in conjunction with the Dixons Academies Trust Careers Policy which is available on the Trust website: www.dixonsat.com/about/policies

What learning opportunities are available for pupils?

At Dixons Unity Academy, our mission is that all students succeed at university, or a real alternative, thrive in a top job and great lives. Our values of integrity, resilience and respect support this mission and our language, routines and structures constantly reinforce the metaphor of 'climbing the mountain'.
