Admissions

Statement of Policy

The Academy is committed to:

- admitting an intake reflecting all local communities;
- resolving a situation where there may be more applications than places available;
- providing a consistency of approach in a potentially emotive area;
- demonstrating that we are applying our oversubscription criteria equally and fairly;
- ensuring that children with special educational needs and disabilities, and vulnerable children are not treated less favourably than other applicants;
- working collaboratively with Leeds Local Authority to improve behaviour and reduce exclusions by agreeing to the Fair Access Protocol.

The aims are:

- to ensure that places are awarded fairly and openly;
- to ensure that all prospective parents are aware of the admissions procedures;
- to guarantee that all legitimate applications will be processed efficiently and within an agreed time span;
- to demonstrate that our procedures comply with the School Admissions Code;
- to provide an appropriate appeal procedure for those who are dissatisfied with the outcome of their applications which complies with the School Admission Appeals Code.

Procedures for Year 7 entry

The admission arrangements are:

- a) There are 200 places available.
- b) Applications for places at the Academy will be made in accordance with the local authorities Coordinated Admission Scheme, as published on local authorities' websites and in Leeds Local Authority's booklet "Starting Secondary School in Leeds". Where the Academy receives more applications than places available, the oversubscription criteria for admission will apply.
- c) Applications have to be made on the Common Application Form (CAF) provided by the local authorities by the stated deadline.

Oversubscription criteria

The Academy will admit up to 200 children in the relevant age group each year if sufficient applications are received. All applicants will be admitted if 200 or fewer apply.

If the Academy is oversubscribed, after the admission of children with an Education, Health and Care Plan, where the Academy is named, priority for admission will be given to those children who meet the criteria in the order set out below:

- a) Looked-after children and children who were previously looked after. See note 1 for a definition of these terms.

Those wishing to apply for a previously looked-after child need to complete Leeds local authority's **Priority 1a Supplementary Form** (appendix 1) and submit this to the local authority with their application form (CPF) along with a copy of the adoption certificate or court order.

Allocation of a place will be decided based on the information received.

- b) Children who have exceptional medical or social need. Each application must include evidence, from a medical specialist (paediatrician/consultant) or social worker of the child's need and why they must attend this school rather than any other, based on those needs. If evidence is not submitted with the application, a child's medical or social needs cannot be considered.

Those wishing to apply under this category need to complete Leeds local authority's **Priority 1b Supplementary Form** (appendix 2) and submit this directly to the Academy with the supporting evidence.

The Governing Body will decide on the allocation of a place based on the information received.

- c) Up to four children of staff who have been in post for at least two years or to staff recently appointed to a post for which there is a demonstrable skill shortage. See note 2 for how to apply.
- d) Children whose siblings live at the same address, currently attend the Academy, and will continue to do so on the date of admission (see note 3 for a definition of sibling).
- e) Children living within the priority area i.e. for whom Dixons Unity Academy is the nearest secondary school to their home address (see note 4). See appendix 3 for a map.
- f) Any other children.

Where a child is allocated a place and they have a sibling/s (brothers or sisters) applying for the same year group, the sibling/s will also be offered a place/s (see note 5).

Tie-break

If in categories c), d), e) and f) above, a tie-break is necessary to determine which child is admitted, the place will be decided based upon proximity to the Academy using straight-line measurements from a defined point on the main school building to the home address. The point Leeds LA measure to as the home address is determined by the LLPG (Local Land and Property Gazetteer) which provides coordinates for every dwelling. If the address cannot be matched, the centre of the dwelling will be used.

Where two or more children live equidistant from the Academy, the decision of who will be offered the place will be made by using a computerised random number generator programme (see note 6).

Notes

1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

A previously looked-after child is a child who, immediately after being looked-after, became subject to adoption, a child arrangements order or special guardianship order, or a child who has been in state care outside of England and ceased to be so as a result of being adopted.

2. Applications must be in the form of a letter or e-mail to the Governing Body of the Academy, sent via the Admissions Officer, stating the name, post, and length of service of the member of staff and the child's name and date of birth.

This e-mail or letter is required in addition to the submission of a completed local authority application form.

3. In addition to brothers and sisters, the term sibling includes half, adopted, step, or foster brothers or sisters *living at the same address*. It does not include cousins or other family members sharing a house.
4. 'Home address' is identified as where the child usually lives with their parent or carer. Where shared care arrangements are in place, both parents must agree which address will be used on the application to Leeds local authority and this should be the address where the child lives for the majority of the week. If no declaration is received by the closing date, Leeds LA will take the home address as being where the child is registered with their GP. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.
5. Where twins or triplets or siblings (brothers or sisters) are applying for the same year group and only one place is available, the remaining sibling/s will also be offered a place/s above the admission number.
6. All applications will be allocated a random number of between 1 and 8 that contains up to 7 decimal places. The numbers will be allocated by a computer programme and ranked from the smallest number at the top to the biggest number at the bottom.

The randomisation process will be supervised by an independent clerk of the independent appeals panel.

Calendar for admission

August 2020

Local authority booklet & common preference form (CPF) is made available.

September/October 2020

Open Events will be held.

31st October 2020

Deadline for receipt of:

- local authorities' common application/preference forms.
- Priority 1a and Priority 1b supplementary forms and any documentation in relation to these applications.
- applications under the children of staff oversubscription criteria.

1st March 2021

Local authorities write with offers made to parents for all schools in their schemes.

In the event of oversubscription, those children who cannot be offered a place will automatically remain on the waiting list at the Academy until the end of December.

Late applications

Late CPF applications will be administered in accordance with the Leeds City Council's coordinated scheme.

In-year admissions

- There are 200 places in each of the year groups.
- Applications should be made on the local authorities' 'In Year Common Preference Form' (ICPF) which needs to be returned to the Academy. The Academy will process this, advise you if a place can be offered or not and send a copy to the local authority.

Where vacancies occur, places are not offered based on the length of time names have been on the list. They are filled solely in accordance with the oversubscription criteria stated above. It is, therefore, possible that a child may be added to the list who qualifies more highly within the criteria than children already on the list because each time a child is added, the list will be ranked again in line with the published oversubscription criteria. Looked after children, previously looked after children, and those allocated a place at the school in accordance with a Fair Access Protocol (explained below) take precedence over those on a waiting list.

Fair access protocol

All local authorities must have a Fair Access Protocol, which the Academy is required to be part of, to ensure that access to education is secured quickly for children who have no school place. Children who are dealt with under the protocol are likely to be the most vulnerable or present challenging behaviour and who cannot reasonably be managed through the normal admissions process. Children admitted through the protocol may be placed into a year group which is full and will take precedence over other children on the waiting list. It is the local authority's decision to determine which children are dealt with by the protocol and the Academy is obliged, as are other schools within the district, to admit a proportion of these children.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group, for instance, where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting his or her schooling.

When such a request is made, the Governing Body will make a decision on the basis of the circumstances of the case and in the best interest of the child concerned, taking into account the view of the Principal and any supporting evidence provided by the parent. The process for requesting such an admission is as follows:

Parents should submit an e-mail or letter to the Governing Body to request that the child is admitted to another year group (stating which year group) and the reasons for their application. Enclosed with this should be any evidence in support of their case; some of the evidence a parent might submit could include:

- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The Governing Body will advise the parent whether the request for admission out of age group has been agreed or the reason for any refusal. Where the Governing Body refuses such a request, there is no right of appeal against a refusal to offer a place in the preferred age group. The right of appeal only applies against a refusal of a place at the Academy.

Waiting lists and appeals

Waiting lists

If your child is not offered a place at the Academy, your child's details will automatically remain on the waiting list until the end of the academic year (July 2021). You will need to make a new school transfer application in early July if you wish for your child to remain on the waiting list for the next academic year.

Where places become available they will be filled in accordance with the oversubscription criteria.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. This is a legal process and places are not 'reserved' for appeal panels to offer.

Appellants can get further details about the appeals process and download the appeal form by visiting the Leeds LA website or contacting Leeds LA:
