Dear Families,

We hope that all families are safe, well and coping during these unprecedented times. As you will be aware, safeguarding of our students is the number one priority for Dixons Unity Academy. In light of COVID-19 we have followed government guidelines and updated our Child Protection and Safeguarding policy and Behaviour Policy with an addendum. Please follow the link below to view the updates:

Also, Safer Leeds have updated their website to include useful information for victims of Domestic Violence and people delivering services.

Alternatively, you can contact DUA and ask to speak to one of our safeguarding team.

Best wishes

D Carr
