

11 October 2022

Dear Families

In our drive to become the school of choice in Leeds and ensure all students receive an education that provides breadth of opportunity we will be taking an additional training day at the start of next term.

The training day will give staff an opportunity to practise key routines, and ensure that your child gets the very best teaching in every classroom.

As you will be aware, there are already two training days planned for next term, this is an additional day. Therefore, next term, the following days will mean your child/ren are not required in the academy:

- Monday 7 November
- Thursday 24 November
- Friday 25 November

I appreciate this change is later than we would have liked, but rest assured this day will provide maximum benefit for all students.

Yours faithfully

Gemma Rothenburg
Principal
