

February 2023

Dear families

As a school we are working on developing our stakeholder voice. We have already established a staff steering group and our student steering group will be launching in the new term. You, the families of our students, are essential to us being able to achieve our mission and so we now would like to hear from you as to how we can improve the school.

An opportunity has arisen to join our newly created parent steering group. Meetings will be approximately once per month and will give you the opportunity to feedback on strategies and initiatives as well as general feedback on how we can improve. If you are interested in joining the steering group, please send a one side expression of interest to Main Reception by Thursday 9 February 2023, for the attention of Mr A Jacobs.

I recognise that not all families may want to have this formal commitment but still have valuable insight to offer. Therefore, I will be offering a parent surgery from 8.30am to 10.00am each Friday starting from Friday 24 February. This is an open session where you can drop in to provide feedback or discuss issues.

I look forward to working with you on driving forwards Dixons Unity Academy.

Yours faithfully

Mr A Jacobs
Principal
