

26 January 2023

Dear families

Industrial action by the National Education Union (NEU)

As you are aware, one of the teaching unions, the National Education Union (NEU), is planning strike action over the next couple of months. This is a national strike regarding a dispute between unions and the government over teachers' pay.

The NEU has given notice to us that strikes will impact Dixons Unity Academy on 1 February, 28 February, 15 March and 16 March.

While we believe discussions are ongoing between unions and the government which could see some strikes cancelled, we have to make plans for 1 February on the assumption that action will be taken on that date.

Having considered the number of teachers at school who are members of the NEU, I have made the difficult decision to partially close the school on this date. School will remain open for Year 11 and vulnerable students in other year groups. We will confirm directly with those families whose children will be able to attend school. Attendance for both Year 11 and selected students in other year groups is compulsory.

We have decided to restrict access in this way to ensure that we can provide an appropriate level of supervision and ensure the health, safety and wellbeing of those in school.

For those children not in school, remote learning will be available on the school website (www.dixonsua.com) from 8am on Wednesday 1 February.

If there are changes to our plan for responding to the proposed industrial action, I will advise you as soon as possible. I will also write to you ahead of the proposed action on 28 February and 15 / 16 March to confirm the arrangements for those days.

We wanted to communicate as soon as possible so you can plan accordingly. Thank you, as always, for your patience and understanding.

Yours faithfully

Mr A Jacobs
Principal
