

13 March 2023

Dear Families

As you are aware, your child has recently undertaken their second Mock Exam series. They worked very hard and I am pleased to say that our invigilators were effusive about the excellent conduct of the year group throughout the exam series.

Your child's Mock Exam results will be given to them at the next Results and Revision Evening on Monday 20 March, 5.00 – 6.00pm. There will be a short presentation on revision strategies, followed by the distribution of results, and then your child will have the opportunity to speak to Heads of Department about their priorities for revision as they prepare for their final examinations.

To continue to support your child in meeting their potential, we are running intervention sessions after school and over the Easter holidays. Please encourage your child to attend as these sessions are extremely worthwhile. The after school intervention sessions are:

- Monday – Creative Arts
- Tuesday – Spanish and PE
- Wednesday – Science
- Thursday – English and Mathematics
- Friday – History and Geography

The sessions during the Easter holidays will run from 10.00am – 2.00pm. Students should bring lunch and their equipment, but do not need to wear Academy uniform. They should arrive promptly and sign in with the teacher at Main Reception. The full Easter Holiday Revision Schedule will be shared with you and your child over the next few weeks.

As you are already aware, beyond the revision sessions being offered, it is also crucial that your child is doing lots of independent revision. Again, we would like to thank you for your ongoing support of your child and the Academy as we all work hard to achieving our vision: 'All students were successful at University or a real alternative, and had happy and purposeful lives.'

Please contact the Academy if you have any questions.

Yours faithfully

*K Paddy*
