Dear Families

As you are hopefully aware the GCSE exams start the week commencing Monday 15 May. Students need to prepare thoroughly for these exams.

We have organised a number of different revision / intervention sessions to take place during the Easter break.

Students have been invited to attend the sessions identified below and we would really appreciate your support in ensuring that they attend at this critical point in their studies. It is a fantastic opportunity to consolidate their knowledge and understanding of specific topic areas or enable them to focus on areas that they need to develop further.

Lunch will be provided however, students are also able to bring snacks with them if they wish. Students should sign in via Main Reception and MUST arrive on time, unfortunately late arrivals cannot be admitted. Students are not required to wear academy uniform.
