

If for any reason such as self-isolation, suspension, or a reduced timetable it is important that you can continue your studies form home. This guide shows you how to access online learning via our student portal.

1. Navigate to <u>www.dixonsua.com</u> and click 'Student Portal' at the top of the page.

- 2. Sign in with your school email address (your username with @dixonsua.com on the end) and password that you use to sign in with at school.
- 3. From the student portal click into the relevant application. Seneca is the application you are most likely to use if you are completing remote learning.

- 4. Both Seneca and Sparx will require you to sign in again. Sign in with your school email address (your username with @dixonsua.com on the end) and password that you use to sign in with at school. For Sentence Builders you will have a separate login.
- 5. For Seneca, click into courses on the top right-hand side of the page.

- SENECA						Home	Courses	Assignments	Classes	Mr Jacobs 🔻
