Dear Families

Half term revision sessions

As you will be aware, we are in the middle of GCSE exams. The half term break is a vital time for students to revise and prepare for the exams that they have left.

It is essential that students work hard and come back after the break with as much knowledge as possible.

We have organised a number of different revision / intervention sessions to take place during the break.

Students have been invited to attend the session identified below and we would really appreciate your support in ensuring that they attend at this critical point in their studies. It is a fantastic opportunity to consolidate their knowledge and understanding of specific topic areas or enable them to focus on areas that they need to develop further.

There will be no catering available during the holidays so students will be expected to provide their own snacks / lunch during the day. Students should enter and sign in through Main Reception and meet in the LRC. Students are not required to wear academy uniform.

Students must to be on time, unfortunately late arrivals cannot be admitted.
